- A hard eraser
- A kneaded eraser
- Black charcoal
- Vine or willow charcoal
- White compressed charcoal
- A set of colored pencils. Preferred brand "Prismacolors"

Other art supplies may be needed as the course progresses. We will also supply a variety of materials in small amounts. However, if a student pursues a work of art that will demand materials not on this list, they should anticipate supplying themselves.

It is highly recommended that students who are serious in pursuing art be in the habit of their own supplies. This allows them to work on their art at home, without needing to be in the studio. Items such as an Art Box, tackle box or tool box to take their supplies with them is helpful. Also a portfolio to hold their work can also be helpful.
